ASPIRING AUTHORS

GET PUBLISHED FAST!

Presented by Dr PaTrisha-Anne Todd (LCSi, FMAC, FECI)
and Noel Posus, Director and Master Coach – askacoach.com (MECI)
This is an LCSi-Education event – HQ in Bournemouth, England

WHO SHOULD ATTEND

Aspiring Authors and people with a story to tell who want to become a published author will benefit from attending this workshop.

WORKSHOP OUTLINE

During the Aspiring Authors Workshop, Dr PaTrisha-Anne best selling author (*LifeCoaching A-Z*) will share with you her own **Six Step Coaching Model** and how to craft your book and choose your best topic, the core message to write about and the best title for your book.

If you've always thought about writing a book, or have already begun perhaps even completed the manuscript and now want to get it published in the shortest time possible and earn an endless stream of money then the **Aspiring Authors** workshop is the ideal solution to your dreams.

This practical one-day workshop is designed to help you unleash the book within you and share your stories and knowledge with a world wide audience.

- Packed full of useful information, you'll learn the strategies about everything you need to know to become a published author, quickly, professionally and affordably.
- Discover how to turn your idea into a book and sell your book to a hungry market.
- Learn how to beat writers block and get your manuscript finished and turned into a marketable promotion tool that your fans will want to buy and read.
- Discover how to write a best selling book in 5 easy steps and get published.
- Learn how to use your book to build a solid customer base for your business and explode your business earning potential.

- Part of our day will be used to brainstorm and work through how easy it is to develop a concept into an outline, then into chapters, a book and beyond that into additional revenue streams including teleclasses, workshops and multi-media materials. This section will be facilitated by the Master Coach, Noel Posus and author of nearly 20 books!

The workshop day takes you through the step by step process of how you can take your idea and turn it into a powerful vehicle that will provide you with a dynamic money making machine.

If you really want to become a published and successful author and get your book into bookstores around the world in just a few weeks then this workshop is for you.
